Copperheads Background Information

The tournament organizers and host organization is the 501c3 Copperhead Charities. This civic-minded group – known in the community as The Copperheads – is made up of over 140 members.

Being a Copperhead means focusing on our two primary goals: hosting a premier PGA TOUR event in Tampa Bay and raising significant funds through golf for local charities.

In addition to raising money through ticket sales and corporate sponsorships, The Copperheads volunteer in admissions and welcome the golf patrons and sponsors throughout the golf course. The Copperheads are proud to be a part of all the best the PGA TOUR brings to our community.

Tampa Bay community leaders are encouraged to get involved as a Copperhead. We challenge you to help us grow our charitable donations which have totaled more than $41 million since 1977.
